

Prices of hearing aids depend on the technology within them. It is not correct to believe that smaller custom or 'invisible' aids are much more expensive than their equivalent technology BTE (behind the ear) aids.

Clearsound**Hearing** has four categories of hearing aid prices:

- **Essential** from *£590*
- **Mid Range** from *£890*
- **Advanced** from *£1150*
- **Premium** from *£1590*

All prices include VAT.

The price of your hearing aids includes your hearing test, fitting, follow up with any fine tuning necessary and after care for the warranty life of your purchase. All hearing aids come with a minimum trouble free 2 year warranty which can be extended to 5 years to ensure peace of mind.

If you hearing aids are out of warranty they can repaired by our All Make Repair Service.
